

# MANHATTAN BEACH FIREFIGHTERS' BURN FOUNDATION

The Mission of the Manhattan Beach Firefighters' Burn Foundation is to serve the South Bay by providing aid and financial support to burn survivors and their families. The Foundation is dedicated to advancing burn research, burn prevention programs, and improving the quality of life for burn survivors.

Foundation was created as a non-profit 501(c) 3 organization to support burn patients and their families both during and after treatment of the trauma of a burn.

Our support programs will include meals for family members of burn victims, burn survivor reunions, summer camps, holiday gifts for young patients, as well as a retreat for the families during their loved one's hospitalization in the Burn Center.

Our fund raising efforts and special events are essential in assisting burn patients and their families in their time of great trauma. The Foundation is funded solely through donations received from concerned citizens, organizations and businesses.
