

Frequently Asked Questions

Is the gallery available for private event rentals?

Unfortunately, we do not rent the gallery for private events to the general public.

Is sketching allowed in the gallery?

Sketching is allowed, but we ask that pencils only be used.

Is photography permitted in the galleries?

Photography without flash is permitted. The intense flash of light can fade the surface of works of art.

Are refreshments available at the gallery?

The gallery does not have a café but a water fountain is available.

Is food permitted in the gallery?

No food, drink, or gum is allowed in the gallery. Baby bottles are allowed, and sealed snacks in purses and bags are fine, too. Feel free to enjoy food and beverages in the patio.

Can I purchase art on display?

The gallery is not responsible for the handling of sales. Upon request the contact information for the artist will be given.

Are mobile devices permitted in the gallery?

Feel free to text, tweet, or listen to audio resources during your visit. As a courtesy to other visitors, we ask that you please set your phone to vibrate and take all voice calls outside of the gallery.

May I talk to a curator?

Curators are often traveling or heavily scheduled, so an appointment is absolutely necessary. When making an appointment, it is important to state the reason for your call. In many cases, questions can be answered with a little research on your part, or somewhere on our website.

You can also send an email to the front desk (infombac@citymb.info) and they can forward your message to the appropriate staff member.
