

Let's all work together to ensure that Manhattan Country Club maintains the highest standard of decorum. Maintaining high standards of attire on the court encourages high standards of etiquette and play! Please be aware of the guidelines set out for men's and women's tennis attire-these regulations also apply to children. Thank you!

### Proper Tennis Attire Guidelines:

- Women are required to wear tennis dresses or tennis shirts with skirts or skorts. Skirts must be worn over leggings or athletic pants.
- Men are required to wear shirts specifically designed for tennis, with traditional polo, mandarin or crew collars. Sleeveless tops are not permitted.
- Shirts must be dry-fit material.
- T-shirts, jeans, cut-offs, undershirts and bare feet are strictly forbidden.
- All players must wear non-marking tennis shoes; running shoes are not permitted.
